

ANTHONY SCARAMUCCI AND THE SASQUATCH INVASION

Written by

Dan Finkel and Brian McGuire

INT. BEDROOM - DAY

We start on an ECU of ANTHONY SCARAMUCCI with his John Travolta-esque hair helmet as he stares into the mirror.

ANTHONY SCARAMUCCI (V.O.)

When you're a huge financial success like I am, the poster boy for the American dream, college graduates always ask you for advice. And I always tell them the same thing.

(Dramatic beat)

DON'T LISTEN TO YOUR GODDAMN PARENTS!

Anthony smiles like a gameshow host as we PAN OUT to reveal that he's mimicking the hand movements and gestures of Donald Trump from a television behind him. He's dressed only in his speedo underwear covered in dollar bill signs. It's all very SATURDAY NIGHT FEVER.

ANTHONY SCARAMUCCI (V.O.)

And thank the Mother Mary I didn't listen or I would never be going...

(Out loud)

... TO THE MOTHERFUCKING WHITE HOUSE!!!

Anthony sloppily spins and does an even sloppier karate kick.

CUT TO:

CREDIT SEQUENCE - MONTAGE

"Cat Scratch Fever" by Ted Nugent plays as we chronicle Anthony's ten days as White House Communication Director.

A collage of real footage from the White House press briefings, interviews and news clips with his most memorable soundbytes are INTERCUT with Spring Break like PARTYING. As the MONTAGE continues the hedonism gets crazier and crazier. Some highlights include:

-- Anthony and the rest of the White House Staff have a Champagne toast in the staff room. A "Welcome Mooch" flashing red, white and blue sign can be seen in the background. Anthony, with the bottle in hand, duplicates his sloppy spins/karate kick combo and then chugs right from the bottle.

-- Anthony discreetly takes a hit from his "Mooch" vapor pen followed by a swig from his "Mooch" flask as he watches President Trump address the Boy Scouts of America in West Virginia.

-- Anthony and a group of Boy Scouts are getting lap dances at a strip club. Anthony makes it rain with hundred dollar bills flying in the air. Everyone cheers "Moooooooooooooch".

-- Anthony has sex with KELLY ANN CONWAY in the White House bushes while a team of gardeners cheer "Moooooooooooooch".

-- White House Advisor STEPHEN MILLER holds Anthony upside down as he does a vertical keg lap. After a full rotation, Anthony pukes all over Stephen Miller.

-- Anthony snorts a line of cocaine off MELANIA TRUMP's breast in the oval office while her son BARRON plays a video game in the corner.

-- Anthony snorts a "Scarface" mountain of cocaine off IVANKA TRUMP's butt in the White House Red Room while JARED KUSHNER is tied up in the corner, crying. STEVE BANNON is in the opposite corner with his head in his lap, presumably sucking his own cock.

END MONTAGE

SUPERIMPOSE: JULY 31, 2017 THE FINAL DAY

EXT. WHITE HOUSE - DAY

In one continuous shot we see Anthony strut like Travolta in the opening scene of SATURDAY NIGHT FEVER across the grounds. Shouts of "Moooooooooch" "You're the man" "I'm staying at the Marriott room 214" etc.

Anthony stops for a moment as he spots something off in the distance. He looks disturbed at whatever he's seeing, but quickly looks away and walks into the White House.

INT. GENERAL JOHN KELLY'S OFFICE WAITING ROOM - DAY

Anthony approaches the SECRETARY at the office. He can't help but sneak a peek at her cleavage.

ANTHONY SCARAMUCCI  
How ya doing toots, here to see the  
ol' General.

SECRETARY

Please have a seat. It'll be just a minute Mr. Scaramucci.

ANTHONY SCARAMUCCI

I'll wait, not that I have to wait since I report directly to the President, but that's okay, got to Facetime my wife real quick anyway... my soon to be ex-wife.

Anthony winks, takes another peak at her cleavage and sits down. He pulls out his smart phone and dials.

ANTHONY SCARAMUCCI (V.0.) (CONT'D)

So here's the deal. My second wife Deidre just had our baby boy and because of the honor to serve my president I haven't seen him yet, so she's divorcing me. But look, we all want our lives to be on a 45 degree slope but what do we know about the market and our lives, they go on a jag more than a slope. Be open to new opportunities and keep optimistic.

DIEDRE, a Long Island queen caked in make-up with a cigarette dangling from her mouth, appears on his phone with a look of absolute hatred.

DIEDRE

What the hell do you want Anthony?

ANTHONY SCARAMUCCI

Diedre, I just want you to know that I've been praying seriously, seriously hard for the little Mooch and you everyday. So can you please do me a solid and put little Mooch on camera for a minute?

DIEDRE

You can see our child when you come visit him.

ANTHONY SCARAMUCCI

These last ten days has been the hardest of my life.

(MORE)

ANTHONY SCARAMUCCI (CONT'D)

But I know one day, you and little Mooch will understand the sacrifice I'm making for not just our newest little Mooch but for all the little Mooches in this kick ass country of ours.

Anthony puts his hand over his heart.

DIEDRE

Anthony, you've got cocaine on the lapel of your jacket.

ANTHONY SCARAMUCCI

That's just make-up. They do amazing hair and make-up here.

SECRETARY (O.S.)

General Kelly is ready for you now.

ANTHONY SCARAMUCCI

Got to go babe.

Anthony hangs up and then does a quick snort off his lapel.

INT. WHITE HOUSE SITUATION ROOM - A MOMENT LATER

Anthony walks in and nobody is there. He goes to the president's chair at the head of the long table and sits down. Anthony pretends he's talking to someone on the main video screen at the end of the wall.

ANTHONY SCARAMUCCI

Before we can proceed with the negotiations Kim Jong Un, I'd like show you something...

Anthony leans back and reveals that his testicles are hanging out of his fly.

ANTHONY SCARAMUCCI (CONT'D)

LOOK I SAT IN SOME FREAKIN' GUM!

Suddenly, General Kelly pops up on the screen. Anthony quickly covers his balls and almost falls off the chair.

ANTHONY SCARAMUCCI (CONT'D)

Oh, I thought you'd be here in person.

GENERAL KELLY

No.

Anthony zips up his fly.

ANTHONY SCARAMUCCI

Look General Kelly, I know you're now the new guy here at the White House, so if I may pass on some advice that's helped me for the last ten days. In the words of the great coach Joe Paterno, "Act like you've been there before". I'm of course quoting him before the whole molestation scandal.

GENERAL KELLY

I've asked you here because I have an extremely important mission for you.

ANTHONY SCARAMUCCI

General, I'm not in the politics business, I'm in the relationship business. That being said, the president and I have already establish a chain of command where I report directly to him so...

GENERAL KELLY

The fate of not just the United States but the entire world depends on this mission.

ANTHONY SCARAMUCCI

Alright, you got my knees knocking General. But I'm a Leo, king of the jungle. Not to mention, I was All City Lacrosse. Quote from the Long Island Press, "Scaramucci was a force on the field". Boom!

GENERAL KELLY

When you joined the White House you, like everyone with your security clearance, took a very state of the art, comprehensive mental and physical test. The results have shown...

ANTHONY SCARAMUCCI

(Terrified)

IT'S NOT MY FAULT! I HATE RUBBERS!

GENERAL KELLY

(Ignoring)

We know you have the ability to see them.

ANTHONY SCARAMUCCI

(Confused)

Ummmm, see who?

GENERAL KELLY

The creatures.

A beat and then Anthony laughs.

ANTHONY SCARAMUCCI

Did that paranoiac Priebe put you up to this?

GENERAL KELLY

They're known as Sasquatch aka Big Foot. They have the ability to be invisible... to most people. But we know you can see them from the make up of your brain.

Long beat.

ANTHONY SCARAMUCCI

My entire life I thought I was just a walking junkbond. But you're telling me those fucking things are real?

GENERAL KELLY

Yes, and we have reasons to believe that they're planning a full scale invasion sometime in the next three months. That is why you need to leave immediately and train with a secret army that have the same ability as you do.

ANTHONY SCARAMUCCI

Okay General. I'm from New York, you're from New York, the president's from New York...

GENERAL KELLY

I'm not from New York.

ANTHONY SCARAMUCCI

That being said, I need to discuss this with the president first.

(MORE)

ANTHONY SCARAMUCCI (CONT'D)  
 And maybe set up a little press  
 conference, bada bing...

GENERAL KELLY  
 What you must understand is that  
 it's extremely important from here  
 on out that you not be an idiot.  
 The president can't be trusted with  
 this and... anything really.

ANTHONY SCARAMUCCI  
 So what are you going to tell him  
 when I'm gone?

GENERAL KELLY  
 I told him I wouldn't take the job  
 as his Chief of Staff unless you  
 were fired, you know for that whole  
 Steve Bannon sucking his own cock  
 thingy.

ANTHONY SCARAMUCCI  
 (As if trouble getting out  
 the words)  
 The president agreed to fire me?

The General nods and Anthony clutches his heart as if it just  
 exploded.

ANTHONY SCARAMUCCI (CONT'D)  
 Well how are we going to explain my  
 disappearance to all my fans?

GENERAL KELLY  
 I think it would be best explained  
 by Mooch 2.0.

A secret door opens up behind Anthony. IT'S AN EXACT  
 DUPLICATE MOOCH in an exact duplicate suit. This is MOOCH  
 2.0.

MOOCH 2.0  
 How's it hanging you handsome  
 devil?

Anthony turns around and faces Mooch 2.0 in shock.

ANTHONY SCARAMUCCI  
 What the fuck...

Mooch 2.0 slaps Anthony in the face.

MOOCH 2.0

Snap out of it! Look, if your brain chart was leaked your life may already be in danger. The Sasquatches have spies in the White House.

ANTHONY SCARAMUCCI

What the fuck...

Mooch 2.0 slaps him again.

MOOCH 2.0

WE NEED TO BLOW THIS POPSICLE STAND RIGHT NOW!

INT. TUNNEL - DAY

A limousine speeds through an underground tunnel.

ANTHONY SCARAMUCCI (V.O.)

This all kind of reminds me of when I got fired from Goldman Sachs. This was before cell phones, so immediately after I got axed I went to a pay phone in Times Square with nothing but a giant roll of quarters and called everyone and their mother to get a new job. And wouldn't you know it, by the time the roll of quarters was gone I got re-hired by Goldman Sachs. I think what I'm trying to say is...

EXT. BACK OF THE WHITE HOUSE - DAY

A limousine gets air as it emerges out of a secret "Bat cave" like exit.

ANTHONY SCARAMUCCI (V.O.)

... What the fuck am I doing in a limo looking at an exact duplicate of myself on the way to join an army to fight the Sasquatch invasion?

INT. LIMOUSINE - THAT MOMENT

Anthony and Mooch 2.0 sit side by side in the back. Mooch can't stop looking at Mooch 2.0's hair.

MOOCH 2.0

I know, they gave me better hair than you.

ANTHONY SCARAMUCCI

Well, I wouldn't necessarily say that...

MOOCH 2.0

Look you know we're a straight shooter, so I'm just going to give you the goods. You're heading to Washington...

ANTHONY SCARAMUCCI

We're in Washington numb nuts.

MOOCH 2.0

Not D.C., Washington State dumb dick. You're going to train with an army of white witches, I've seen pictures, some of them are hot with big racks, you'll be a pig in shit. I'm going to resign the position as White House Communications Director today, then I'm going to make up with your wife, try to fuck her, be a father to your kids and, eventually start a financial advisory slash cooking show.

ANTHONY SCARAMUCCI

Hey! You're not fucking my wife.

MOOCH 2.0

I'm not fucking your wife. I'm really you. You're fucking your wife. Plus, I'm a robot. I'm like a giant vibrator. Your wife will never have it so good.

Anthony glances out the window and looks up.

ANTHONY SCARAMUCCI

I can't believe this is hap...

And that's when he spots one... a SASQUATCH on top of a building. It's like a hybrid of CHEWBACCA meets PREDATOR... absolutely terrifying.

MOOCH 2.0

We're not going to make it. But don't get your panties all in a bunch. There's Mooch 4.0 still stashed safely in the White House. He's just like us. Only way more perverted.

ANTHONY SCARAMUCCI

What?...

MOOCH 2.0

JUMP!

The limo door opens and Mooch 2.0 kicks Anthony out of the car.

EXT. OTHER SIDE OF THE TUNNEL - A MOMENT LATER

The minute the limousine emerges from the other side of the tunnel it's swarmed by Sasquatches. They rip apart the top of the limo and then rip apart both Mooch 2.0 and Mooch 3.0. Green goo explodes out the Mooch duplicate robot bodies.

Anthony watches in terror and then runs around the corner. He pulls out his phone and hits the Uber app.

He tries to catch his breath as he waits for the Uber, constantly looking to see if any Sasquatch are coming. Suddenly, one of the Sasquatches runs around the corner. It spots him and sprints at him, just as a Honda Civic pulls up.

Anthony dives into the car.

ANTHONY SCARAMUCCI

HIT IT KID AND THERE'S A BEN FRANKLIN IN IT FOR YOU!

The zit faced UBER DRIVER turns around with a big smile.

UBER DRIVER

You got it Mooch!

The Uber driver floors it as the charging Sasquatch is only a few feet away. The Sasquatch is SLAMMED by a bus coming the opposite direction.

INT. HONDA CIVIC - A FEW MINUTES LATER

Vulgar Hip Hop blares in the car as Anthony opens the envelope.

Inside is a map made out of the skin and fur of a Sasquatch. The map reads Ape Valley and shows a path through a dense forest where a pentagram marks the spot.

UBER DRIVER  
You didn't put in your destination  
Mooch.

ANTHONY SCARAMUCCI  
We're going to Port Washington. Big  
fare kid. Your lucky day.

DISSOLVE TO:

EXT. GHOST MOTORCYCLE'S - EVENING

The Uber pulls up to a motorcycle shop.

UBER DRIVER  
Good luck Mooch, saving the world  
from the Big Foots.

ANTHONY SCARAMUCCI  
Remember kid. Tell anyone and  
you'll be swimming with the fishes.

The Uber driver gives a big thumbs up and flashes a smile, revealing chunks of brownies stuck in his braces.

UBER DRIVER  
YOU GOT IT MOOCH!

INT. GHOST MOTORCYCLE'S - A MOMENT LATER

Anthony walks through the shop and then into a back room. Four old ITALIAN MEN that look right out of the GODFATHER sit at a table, smoking, drinking wine and playing cards.

UNCLE SAL/UNCLE MARCELLO/UNCLE  
CARMINE/UNCLE FRANKY  
ANTHONY!!!!

ANTHONY SCARAMUCCI  
How ya doing Uncle Sal, Uncle  
Marchello, Uncle Carmine, Uncle  
Frankie...

UNCLE SAL  
Hey, we just saw on the tube that  
you got the high hat!

ANTHONY SCARAMUCCI  
 Watcha going to do Uncle Sal.  
 Sometimes I use colorful language.

UNCLE MARCELLO  
 Fuck those Washington elitist cock  
 fucks. They don't deserve a prince  
 like you.

All the Uncles nod in agreement. Anthony starts to tear up.

ANTHONY SCARAMUCCI  
 You Uncles are the best.

They all raise their glasses and cheer Italian phrases of  
 congratulations.

ANTHONY SCARAMUCCI (CONT'D)  
 Look, I need to borrow a bike. But  
 not just any bike. I need the 1931  
 Coventry Eagle.

All of the Uncles gives Anthony the most serious look. This  
 is a big deal.

ANTHONY SCARAMUCCI (CONT'D)  
 And I need one of the "get out of  
 town" disguises.

UNCLE MARCELLO  
 I'll help you pick out an outfit  
 Anthony.

INT. WALK-IN CLOSET - A MOMENT LATER

Anthony and Uncle Marcello walk in to the closet full of  
 costumes hanging.

ANTHONY SCARAMUCCI  
 About that thing Uncle Marcello.  
 I'm going to pay you in Bitcoin.  
 It's untraceable currency...

UNCLE MARCELLO  
 No, that's not what I wanted to  
 talk to you about.

Uncle Marchello pulls out a Rolex style watch with jewels  
 sparkling from the watch band and hands it to Anthony.

UNCLE MARCELLO (CONT'D)  
This watch belonged to your great,  
great, great, great, great, great,  
great grandfather Hugo.

ANTHONY SCARAMUCCI  
They had watches back then?

Anthony looks at the watch and its revealed it's actually a  
sun dial.

UNCLE MARCELLO  
Where you're going, you're going to  
need it. Capisce.

Anthony looks perplexed.

CUT TO:

TRAVELING MONTAGE

EXT. HIGHWAY - DAY/NIGHT

Kid Rock's "COWBOY" blasts as we see a series of DISSOLVES of  
Anthony traveling across country. He's dressed in an exact  
costume of the outfit Marlon Brando wore in the film THE WILD  
ONE along with a big fake handle bar mustache.

ANTHONY SCARAMUCCI (V.O.)  
You never really know yourself  
until you're back's up against the  
wall. For example, my company  
Skybridge Capitol was about to go  
out of business...

Anthony floors the bike and pops up into an impressive  
wheelie.

DISSOLVE TO:

INT. REST STOP BATHROOM - DAY

Anthony fucks the bathroom wall hard next to a graffiti sign  
"Glory Hole".

ANTHONY SCARAMUCCI (V.O.)  
... our fund was retracting, the  
Dow had gotten to about 6500 and  
the ESPY was up to about 660.  
(MORE)

ANTHONY SCARAMUCCI (V.O.) (CONT'D)  
Which made all the money players  
pulled out of their Vegas  
conferences...

EXT. TRAIN TRACKS - EVENING

Anthony speeds his motorcycle off of the top of a hilly road  
and gets air.

ANTHONY SCARAMUCCI (V.O.)  
... which created an opportunity to  
hold our own conference in Vegas.  
So we rolled the dice and it saved  
our company.

Anthony jumps his bike right over a moving train.

ANTHONY SCARAMUCCI  
And it was an epic throw down...  
endless hookers, tons of blow,  
great food...

INT. DINER - MORNING

Anthony eats breakfast at the counter. Fox News plays on the  
television behind the counter. Ann Coulter is in the middle  
of talking.

ANN COULTER  
A. I don't believe he thought the  
interview was off the record. B. It  
didn't make any sense that what he  
claimed was being leaked was leaked  
because it was publicly available  
information. C. He sounded like  
Linda Blair of the Exorcist. No, we  
can only have one potty mouth in  
the white house...

ANTHONY SCARAMUCCI  
I'D GO POTTY IN YOUR MOUTH!

Everyone in the restaurant turns and looks at him. Anthony  
realizes he said that out loud.

DISSOLVE TO:

EXT. HIGHWAY - DAY

The highway is lined with tall pine trees as Anthony drives down the road. He scans nervously as if looking for Sasquatches at every turn.

He spots a sign on the road that reads "Big Foot Field Researcher Organization tours" with an arrow pointed down a dirt road.

INT. BIG FOOT FIELD RESEARCHER ORGANIZATION HEADQUARTERS - DAY

Anthony walks into the large cabin and a SASQUATCH IS STANDING IN THE CORNER!

ANTHONY SCARAMUCCI  
(In a high pitch squeal)  
AHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH!

The Sasquatch turns around and it's actually just a man dressed in a Sasquatch robe that covers from behind. The man is also completely naked except for a Sasquatch sock puppet on his penis. This is CAL JAMES, head of the organization.

CAL JAMES  
(In an very effeminate voice)  
Gotcha! I know, it's sooooo scary realistic... and it's handmade and great for Cosplay. We sell these babies in the gift shop. They are super comfy and go perfect with some Sasquatch Slippers!

Cal sticks out his right foot and wiggles his toes through the cute furry slippers.

ANTHONY SCARAMUCCI  
(Rolling his eyes)  
What, do you sell the Sasquatch sock puppet too?

CAL JAMES  
No, that's for covering my dick.

A beat.

ANTHONY SCARAMUCCI  
Look pal, I'm not some dumb city slicker looking for some overpriced Sasquatch swag.  
(MORE)

ANTHONY SCARAMUCCI (CONT'D)

So let's just get the gun on the bird and talk about what's really going on. I need someone to take me into Ape Valley yesterday.

Cal looks at him dramatically.

CAL JAMES

Ape Valley?

(Beat)

I'm leading a group there later today! We've certainly got room for you.

Cal gives him a wink.

EXT. FOREST - DAY

Cal leads a group of ten people including a family wearing matching vests that read "Daddy Sasquatch", "Mommy Sasquatch" and "Junior Sasquatch". Anthony rides his motorcycle two miles an hour from behind, staring at the "Mommy Sasquatch's" ass. Suddenly, Cal stops dramatically.

CAL JAMES

(Pointing)

Right over there, the largest pile of Big Foot poop was discovered in 1935 by Richard Bate an English professor who wrote the award winning Big Foot novel... "Big Foot, Not Just a Myth But a Rapist". Another tid bit about Richard Bate he is fluent in Tagalog, which is spoken by a quarter of the population of the Philippines and...

Anthony revs his motorcycle.

ANTHONY SCARAMUCCI

HEY CAL NOBODY GIVES A SHIT ABOUT BIG FOOT SHIT! So let's wiggle the Wall Street Pinata and get to Ape Valley already!

MOMMY SASQUATCH

You're very rude.

The entire group glares at Anthony.

ANTHONY SCARAMUCCI

...and dangerous.

Anthony quickly licks his lips.

EXT. CAMPGROUND - NIGHT

The group has set up camp for the night and sits around the campfire.

CAL JAMES

Okay, does anyone have a personal Sasquatch story they would like to share with the group?

Daddy Sasquatch raises his hand.

CAL JAMES (CONT'D)

Great, Daddy Sasquatch. Please tell...

DADDY SASQUATCH

The reason we took this trip is because it's our one year anniversary of when "it" happened. I had decided to take Mama Sasquatch and Junior Sasquatch up to Large Branch Trail for a family picnic. When all of a sudden downwind comes this putrid stench... and then we start hearing this deep based mammal making this sound like "WHA... WHA.... WHA... WHA... WHA... WHA... WHA... WHA... WHA... WHA... WHA... Suddenly, I see movement out of the corner of my left eye and I turn and that's when I saw Big Foot. And I'm like, "GO GO GO NOW MOVE".

(Burst into tears)

At this moment in time,, these very strong protective instincts kicked in... the experience was so deeply seared into my brain that every time I bring it up I feel what I feel then. I love my Sasquatch family!

Mama Sasquatch and Junior Sasquatch lean in and give a family hug. Everyone is moved. We PAN OVER to Anthony. He's jerking off the air. Cal looks at him, disgusted.

CAL JAMES

Oh you think you're so cool with your Marlon Brando mustache and your tight fuck me pants. What's your big, Big Foot story.

Anthony coolly leans back and takes a long cocky breath.

ANTHONY SCARAMUCCI  
Well, first off. My name isn't  
Marlon Brando...

Anthony rips off his mustache.

ANTHONY SCARAMUCCI (CONT'D)  
It's the Mooch.

Everyone gasps. They can't believe it's him.

ANTHONY SCARAMUCCI (CONT'D)  
First thing, I didn't get fired  
from the White House. I'm on a  
secret mission that I can't tell  
you about... but I can tell you  
I've seen these Sasquatches my  
entire life. And until I just got  
put on this secret mission to save  
the world from the upcoming  
Sasquatch invasion, I had no idea  
that they were invisible to most  
people. But a swarm of these  
motherfuckers ripped the hood off a  
limousine and tore apart my two  
duplicate Mooches and you don't see  
me...  
(Fake crying)  
... crying like Daddy pussy  
Sasquatch over there.

Anthony pulls out a wad of hundred dollar bills from his  
jock.

ANTHONY SCARAMUCCI (CONT'D)  
Okay here's the deal. Tomorrow  
we're going take a detour.

Anthony hands the wad of cash over to the camper next to him

ANTHONY SCARAMUCCI (CONT'D)  
Keep a Franklin for yourself and  
pass the wad down to the person  
next to you..

Anthony then takes the map out of his jock and holds it up.

ANTHONY SCARAMUCCI (CONT'D)  
I need to get to the location  
marked by this pentagram, there are  
witches who are going to train me  
to kill these motherfuckers.

(MORE)

ANTHONY SCARAMUCCI (CONT'D)  
 But I don't want to get lost in the  
 woods by myself, so everyone is  
 coming with. We're leaving at the  
 buttcrack of dawn, so get your  
 rest.

CUT TO:

INT. ANTHONY'S TENT - NIGHT

Anthony has doggy style sex with Mama Sasquatch.

MAMA SASQUATCH  
 WHA... WHA... WHA... WHA...

ANTHONY SCARAMUCCI (V.O.)  
 Some people grow and some people  
 swell when they get a mission as  
 important as the one that was given  
 to the Mooch. And look, I still  
 wear a plastic mouth base from the  
 1998 Russian Ruble crisis. I  
 started teeth grinding when the  
 market imploded in July of '88. And  
 my teeth were certainly grinding  
 now, cause I was a little scared...  
 but my country needs me so fuck  
 fear.

Suddenly, the Sasquatch sock puppet sticks in through the  
 tent door.

CAL JAMES (O.S.)  
 Is there room for another  
 Sasquatch? I won't tell Daddy  
 Sasquatch...

EXT. APE VALLEY - DAY

Anthony leads the group through the thick woods until they  
 finally come to a clearing. They walk to the center.

ANTHONY SCARAMUCCI  
 I think this might be it.

CUT TO:

OVERHEAD SHOT

It's revealed that they're standing in the middle of a giant  
 pentagram.

ANTHONY SCARAMUCCI  
But I'm not sure.

CUT BACK TO:

EXT. PENTAGRAM - A MOMENT LATER

Suddenly, 20 WITCHES, dressed just like your stereotypical Halloween witches, appear out of nowhere. They idle on brooms at the far end of the pentagram.

ANTHONY SCARAMUCCI  
Don't worry, they're white witches,  
which means good witches.  
(Beat)  
HEY LADIES, IT'S THE MOOCH! I'M  
HERE!...

And on that, THEY ATTACK. Broomsticks through eyeballs, heads are decapitated, organs are tossed like confetti...

In seconds, EVERYONE IS DEAD... except Anthony, who is covered head to toe in blood.

ANTHONY SCARAMUCCI (CONT'D)  
(In Shock)  
Why... did... you... kill... them?

LORENA, with the looks of Faye Dunaway, flies up directly into Anthony's face.

LORENA  
We had to. Nobody can know about  
this place or your mission.

ANTHONY SCARAMUCCI  
Oh.... Okay... You killed them  
all... I might need therapy...  
Ummmm, hope you broads got a bath.

CUT TO:

INT. BATHROOM - DAY

"Sail Away" by Enya plays as Anthony soaks in a ritualistic bubble bath. Candles, incense... Anthony closes his eyes, completely relaxed.

Suddenly, his relaxed face turns aroused and then confused....

ANTHONY SCARAMUCCI  
Who is suuuu...

Anthony FLAILS IN PANIC!

ANTHONY SCARAMUCCI (CONT'D)  
...CKING MY COC...

Suddenly, NEENA emerges from the water. Half woman/half Bigfoot... and abomination with splotches of hair, bumps, scabs and one breast with five leaky nipples. NEENA talks in a low and high pitch alternating voice like Bobcat Goldthwait from the Police Academy movies.

NEENA  
Sorry Mooch. It's nothing sexual, I just have an addiction to the smell of penis.

Anthony immediately projectile vomits. NEENA scoops up some of the barf and eats it.

NEENA (CONT'D)  
I also like eating barf and Vegemite.

ANTHONY SCARAMUCCI  
What are you?

NEENA  
I'm a Neena. Half Man/Half Sasquatch of the female gender. I'm your biggest fan and memorized all your greatest hits. "The Fish stinks from the head down"... "I'm a front stabber, not a back stabber"... "Here's a fucking towel"...

NEENA grabs a towel and throws it at Anthony hard in the face.

NEENA (CONT'D)  
We need to get you ready for orientation Mooch or Lorena will be pissed.

INT. WHITE WITCH RITUALISTIC CHAMBER - DAY

Anthony, dressed only with a towel around his waist, stands in the center of a perfect circular 100 foot tall dome. The glowing walls reveal the room is surrounded by witches hovering on their brooms.

ANTHONY SCARAMUCCI

Ladies, the flying broom routine is a good trick but hey, I've seen a guy throw a dead spiral through a tire, I've seen him at Madison Square Garden with a topcoat on, standing in the key and hitting foul shots and swishing them. Tricks are all good, but I'm from the mean streets of Port Washington. Okay, Port Washington is really full of mostly fat cats, but there is an actual street that you don't want to go down two miles from my house...

LORENA

SHUT UP!

ANTHONY SCARAMUCCI

Okay, put me in the penalty box sweetie.

LORENA

The Sasquatches were the first children of the Devil and have been reeking havoc on this planet for millions of years...

Suddenly, the circular dome walls light up like an IMAX presentation and visually tells the story as Lorena narrates.

LORENA (CONT'D)

... before they were imprisoned in the center of the Earth by a powerful spell cast by my ancestors. Throughout history, the Sasquatches have been able to break free, like when they killed and raped all the dinosaurs before we were able to force them back underground. However, since the late 1800s, the Earth's position to a planet called Mars has slowly weakened the spell and more and more Sasquatches have been able to emerge from below.

ANTHONY SCARAMUCCI

(Amazed)

Can you play back that Sasquatch taking it to that brontosaurus? I'm blushing like a freakin' school girl over here.

LORENA

In 88 days, the spell will not be able to hold them and millions of Sasquatches will break free and kill every human being on planet Earth.

On the dome walls we see Men and Woman from every nationality getting killed by Sasquatches.

ANTHONY SCARAMUCCI

OKAY TURN THAT SMUT OFF!

The Sasquatch look down at Anthony as if they're really there.

ANTHONY SCARAMUCCI (CONT'D)

Lorena, I don't know what law firm you worked at, but you're very good. I get it... you need a man for this job.

All the Witches start to painfully groan as if they hate that this is true.

LORENA

Truth is, the only one that can cast this spell that will keep the Sasquatches trapped in hell is... A Warlock.

ANTHONY SCARAMUCCI

I'm a Warlock? What the fuck is that?

LORENA

A man witch.

ANTHONY SCARAMUCCI

You mean like two dudes with a dude in between. Look, ladies I don't swing that way, but I will help you save the world from the Sasquatch. Now what do I got to do?

LORENA

Correctly learning how to properly utilize your powers is a four year process. But we don't have time. So we are forced to train you in a way that is much more dangerous. You will receive four years of training in four minutes.

NEENA (O.S.)  
I'M COMING WITH YOU MOOCH!!!!

NEENA is on top of the dome.

NEENA (CONT'D)  
BUNGIEEEEEEE!.....

NEENA bungies all the way down and PAINFULLY SPLATS ON THE GROUND WITH NO BOUNCE.

NEENA (CONT'D)  
OH SHIT... THIS FUCKING PAIN IS  
UNBEARABLE... SOMEONE KILL ME...  
END THIS SHIT!... MY RECTUM FELL  
THROUGH MY PUSSY HOLE... WHY DID I  
DO THAT?!.....

NEENA stands up.

NEENA (CONT'D)  
I'm okay everyone. I'm going with  
Mooch.

ANTHONY SCARAMUCCI  
Where are we going?

And on that, the bottom of the room opens and Anthony and Neena are FLUSHED DOWN INTO...

CUT TO:

A PSYCHEDELIC ROLLER COASTER RIDE

Anthony and Neena fly down through a quatum dimensional tube of madness. Anthony screams like a baby while Neena screams in orgasmic ecstasy. They finally fly out the tube and down into...

CUT TO:

EXT. NORMANDY BEACH, FRANCE - DAY

Anthony and Neena find themselves on the beach smack in the middle of WORLD WAR 2'S INVASION OF NORMANDY. It's CHAOS in every direction!

ANTHONY SCARAMUCCI  
Where the fuck are we?!

NEENA

It's June 6th 1944. We're storming the beach at Normandy! There are four powers you need to master in order to become a Warlock. The first is speeding up time and you must speed us up to the year 1977 or we're going to die!

ANTHONY SCARAMUCCI

How do I do...

Suddenly, A GRENADE EXPLODES right between them!

CUT TO:

INT. STUDIO 54 - NIGHT

This is the famous disco at its peak. Anthony and Neena sit in a corner booth surrounded by drag queens. Neena is face down in a giant mound of cocaine. When Nina lifts her head, it's revealed that her nose has been blown off her face.

NEENA

You did it! We're at Studio 54 the hottest disco club of all time. FYI, it's really hard to enjoy this coke without a nose. I really would have preferred it not being blown off my face. Anyhoo, Warlock Lesson 2. You must master the Power of Command. You must make the entire club follow you're every command. First thing is to get their attention...

ANTHONY SCARAMUCCI

No problem.

Anthony winks at Neena, scoops up a large pile of blow into his face, stands up...

ANTHONY SCARAMUCCI (CONT'D)

(To the Drag Queens)

Excuse me fellas.

... and then falls back down. It's revealed that Anthony's right leg has been blown off.

ANTHONY SCARAMUCCI (CONT'D)

WHERE'S MY RIGHT LEG?!

NEENA

Normandy Mooch! That grenade did a number on us. Good luck!

CUT TO:

DANCE FLOOR - A FEW MOMENTS LATER

Anthony, on one leg, hops to the center of the dance floor. The crowd parts like the red sea for this one legged freak.

"Night Fever" by the Bee Gees plays as Anthony proceeds to mimic John Travolta's famous dance sequence from SATURDAY NIGHT FEVER. HE'S AMAZINGLY PULLING IT OFF! The crowd is loving it!

NEENA

(Calling)

YOU'RE DOING GREAT MOOCH!

Anthony hops off his one leg into an incredible 360 one legged split. The CROWD GOES NUTS... and the look on their face turns NUTS... like INSANE NUTS.

NEENA (CONT'D)

THAT'S TOO MUCH MOOCH! WAY TOO MUCH!

The crowd comes at him like Zombies hungry for brains...

NEENA (CONT'D)

Uh oh.

...and begin to tear him apart.

ANTHONY SCARAMUCCI

WHYYYYYYYYYYYYY!!!!!!...

A drag queen rips out his right eyeball and eats it.

CUT TO:

INT. PLANE - DAY

Anthony (now missing both of his arms and left eye) and Neena sit in the back of a small plane. The PILOT looks back at them from the cockpit.

PILOT

YOU'RE ON YOUR OWN, FREAKS!

The Pilot pulls out a gun and blows his brains out. He slumps over the controls and the plane takes a nosedive.

NEENA  
 Warlock Lesson 3.  
 (Singing like Tom Petty)  
*Learning to fly but you ain't got  
 arms or one eye or one leg...*

Neena grabs Anthony, tosses him off the plane and then jumps out after him.

CUT TO:

EXT. MID AIR - A FEW MOMENTS LATER

Neena grabs onto Anthony's remaining leg as they fall towards the ground.

NEENA  
 FLY MOOCH! YOU CAN DO IT!

ANTHONY SCARAMUCCI  
 HOW DO I FLY?!

NEENA  
 This one is actually really simple.  
 All you have to do is...

They fall directly on top of a spinning helicopter propeller and are CHOPPED UP into a million pieces.

CUT TO:

EXT. TROPICAL ISLAND BEACH - SUNSET

Anthony and Neena (back to normal with all of their limbs and noses), dressed in white loin clothes, are surrounded by a hundred beautiful HULA DANCERS in a tropical jungle.

ANTHONY SCARAMUCCI  
 I GOT MY ARMS, LEG AND EYE BACK!  
 THANK THE FUCKING CHRIST!

NEENA  
 Yes, thank you Jesus for returning my nose. I love you very much my lord and savior. Warlock Lesson 4. The power of fertility. You must impregnate all of these butt ugly hula dance inbreeds.

ANTHONY SCARAMUCCI

Oh the things I do for my country.  
Let me stretch.

Anthony touches his toes.

ANTHONY'S POV

Upside down through his legs, A VOODOO SHAMAN covered in scary face paint with glowing white eyes whips Neena around the waist and violently pulls her into the jungle.

ANTHONY SCARAMUCCI (CONT'D)

NEENA!

Anthony sprints after her into the jungle.

EXT. JUNGLE - LATER

Anthony peaks his head out of some thick bushes and spots Neena in a giant pot, boiling. The Voodoo Shaman dances around the pot yelling like a monkey with Tourettes.

Suddenly, Anthony's sun dial Rolex watch illuminates and a pentagram light beam shoots up through the overhead trees. A branch with a coconut dangling falls down. Anthony snags the branch out of the air before it hits the ground.

ANTHONY SCARAMUCCI

(Realizing)

Scaramucci was a force on the  
field.

Anthony takes 17 quick deep breaths and then swings the branch with full force. The coconut flies off the branch and smacks the Shaman directly in the face sending him to the ground.

ANTHONY SCARAMUCCI (CONT'D)

USA BITCH!

The Shaman stands up, cracks his whip, and pulls Anthony directly to him, face to face. The Voodoo Shaman starts to chant a spell.

ANTHONY SCARAMUCCI (CONT'D)

You know what the Zackleys are?

Spit flies out of the Shaman's mouth all over Anthony as the chanting gets more intense.

ANTHONY SCARAMUCCI (CONT'D)  
When you're breath smells EXACTLY  
like your cock.

Anthony knees the Shaman hard in the groin. The Shaman goes down.

Anthony runs over to Neena and pulls her out of the pot.

NEENA  
YOU'RE MY HERO MOOCH!

ANTHONY SCARAMUCCI  
I know.

Anthony puts Neena on his back.

ANTHONY SCARAMUCCI (CONT'D)  
NOW LET'S GET BACK TO THE ORGY!

Anthony runs into the jungle.

EXT. TROPICAL ISLAND BEACH - SUNDOWN

Anthony dumps Neena on the ground and approaches the Hula Dancers.

ANTHONY SCARAMUCCI  
I'm back, I just kicked some ass  
and I'm ready to make love. Line  
up...

Anthony grabs his balls, but he grabs nothing. He feels around in panic.

ANTHONY SCARAMUCCI (CONT'D)  
What the...

Anthony pulls down his pants... and there's NOTHING! No dick, no balls, no gash... just perfectly smoothed skin like a mannequin.

ANTHONY SCARAMUCCI (CONT'D)  
AHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH!

Neena projectile vomits.

NEENA  
Seriously, that's some fucked up  
shit!

Neena eats her barf and then barfs again and then...

DISSOLVE TO:

EXT. WHITE WITCH RITUALISTIC CHAMBER - FOUR MINUTES LATER

Anthony and Neena fly out the tube and are back where they started. Anthony looks down his pants and then exhales... super relieved.

ANTHONY SCARAMUCCI

Holy shit you wacky broads sure know how to put together a tough test. And I know about tough. You know I went to college at Tuffs University spelled T.O.U.G.H.S. Of course, I went to Harvard for my masters. My mom thought it was Hartford. Not a bright woman, but sweet and a hell of a cook. Her Butternut Scungilli changed people's lives. My point being, the Mooch has always beat the odds. Just like I beat the odds on the Warlock test and how I'm going to beat the odds and stop the Sasquatch Invasion.

LORENA

Why in the hell do you think you passed? Do it again!

Mooch and Neena are flushed back down the portal.

EXT. WHITE HOUSE - DAY

The President boards the Squadrone One Presidential Helicopter.

GENERAL KELLY (O.S.)

The President has left the building. Activate Mooch 4.0.

EXT. PORT WASHINGTON HOUSE - EVENING

We see a large tacky Italian villa surrounded with many gaudy statues of famous Italians.

Diedre opens the front door in a robe, wearing a mud mask and with a cigarette dangling out of her mouth.

MOOCH 4.0 (O.S.)  
I WANT YOU BACK BABY!

We reveal Mooch 4.0 on top of a giant heart shaped three tiered wedding cake float with a flashing "MOOCH WANTS YOU BACK".

"I WANT YOU BACK" by the Jackson 5 plays and Mooch 4.0 sings and dances perfectly like Michael Jackson. The entire Rockettes are on the float dancing with him. It's incredible.

FADE OUT.
